**Subject:** Microsoft Settlement

To Whom It May Concern:

I am opposed to the proposed settlement in the Microsoft antitrust trial. The current proposed settlement neither punishes the actions committed by Microsoft in the past, nor prevents them from similar actions in the future. It is only a settlement in the sense that it allows the DoJ to wash their hands of the issue. This is not what it should be, nor is it what we should accept.

Sincerely,  
Dan Bidwa  
Pittsburgh, Pennsylvania
